

## Dufour 365 Grand Large

Length: 36 ft

Price: \$ 109,000

Year: 2007

### Description

---

This is a sailor's boat. Dufour Yachts are world renowned high performance cruisers custom built in La Rochelle, France. They are constructed with methods and materials a step above most production boats. The 365 Gran' Large features stylish modern lines and beautiful teak decks that are eye catching underway and in port. The deck is thoughtfully laid out for efficient sail handling or even single-handed sailing. She features a shoal keel with 5' 7" draft for versatility. A removable bimini and dodger provide added comfort and allow sailing in various conditions. And her teak decks and cockpit make her a standout beauty.

Down below you will find a well appointed and constructed interior that has been glassed and tabbed into the hull. There is a sturdy and ergonomic nav station positioned immediately to starboard. Conveniently to port, is the single head. The three cabin version sleeps 8, featuring two aft cabins and a spacious V berth with dressing area forward. The saloon is an open layout that sits opposite the full galley.
